Opis produktu

**Książka w języku angielskim w twardej okładce
208 stron**

It is amazing how much play you can create in a seemingly equal chess position - if you persevere. In this book, the greatest chess player of all time, Magnus Carlsen, and his friend, Grandmaster David Howell, explain how to win these kinds of chess games.

Carlsen and Howell show how you can keep a game alive, how you can keep posing problems to your opponent, how you can recognize the first small mistakes, and how you can grind your opponent down until he cracks.

New In Chess has converted this book from a popular Chessable video and MoveTrainer® course with the help of Carlsen and Howell. The lively conversations of the two friends translate very well into a highly instructive chess manual. It is top-level chess, using grandmaster games as examples, but the insights are accessible to players of all levels.

Magnus Carlsen won the World Chess Championship in 2013 and gave up his title in 2023. He is regarded as the greatest player of all time and holds the #1 spot in the world ranking. He has read dozens of books published by New In Chess, but this is the first book with Carlsen as an author. Carlsen (1990) lives in Oslo, Norway.

David Howell is an elite chess Grandmaster with a 2700+ peak rating and an individual gold medal winner at the Olympiad. He is a well-known and popular commentator on live chess streams. Howell (1990) is two weeks older than Carlsen, was born in Eastbourne, United Kingdom, and lives in Oslo, Norway.
